No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

These are good clothes. Perhaps as good as any that equal money will buy in any store, but we are just a little bit backward about claiming that they are the best.

They cover the tashion ground thoroughly, ranging from the plain, conservative fabrics and styles of the middleaged or elderly "young fellow" to the gladsome garments of the sharp-eyed "old man" who is just out of high school. Every garment is sold with a guarantee of satisfaction

(yours, not ours). That is the way they are sold to us, and we do not hesitate to make good if requested to do so. While there is no blatant boastfulness about our claims there is no apology, either. We are proud of the goods and of the prices we are able to quote for them.
